## Staff In Service Day

Thank you to all of the families for supporting our decision to close the center on Friday, October 2nd.

We, at Little Jewels, think it is vital to ensure that our teachers are continually expanding their knowledge in the field of Early Education.

Throughout the day over 90 staff members were able to learn more about special needs, multicultural holidays, gross motor activities and teachable moments. Thanks so much to our partners in learning that day : Developing Melodies and Kankakee Community College.
