

Little Jewels COVID-19 Procedures

At Little Jewels our number one priority is the safety of our staff and students. We have taken certain safety precautions to prevent the spread of COVID-19, while still ensuring that your children are provided with the high-quality care that our families expect from Little Jewels.

In addition to the already strict cleaning protocols used to maintain the cleanliness of the center, you will also see the following being implemented in the center:

- 1 Only one parent will be allowed into the building to drop students off. All adults will be required to wear a mask upon entry.
- 2 Limited combining of classes when possible, including the closure of the cafeteria for meals until further notice.
- 3 6 foot distancing when appropriate
- 4 Increased handwashing for everyone that enters the building.
- 5 All staff, and students 2 years and older, will be required to wear a mask while in the building.
- 6 Heightened illnesses policies including a lower max temp of 100 degrees to be in the building. (Staff and students included.)

Thank you for your support as we work with ever changing
